Who is this Summer School for?

The Program will be of interest to students who want to learn Russian Language and about Russian culture, complete beginners with very little or no previous knowledge of Russian language.

What is special about our Summer School?

During the School you will not only be able to learn Russian language, but also become acquainted with the fascinating and diverse Russian culture.

Moreover, you can take additional educational program and learn about 5G mobile communication, Routing & Switching.

You will be able to make friends with students from different countries of the world!

Why study Russian Language?

Russian is a world language - it's the fifth most widely spoken language on the planet (about 270 million people speak Russian worldwide).

Russian is a language of culture - a knowledge of Russian offers access to great works of literature as well as songs and theatre in the original.

Russian is a for travel – Russia is the biggest country in the world and there's lots of opportunities for travel.

Russian is a key to higher education – speaking Russian opens up study opportunities at Russian universities.

Learning other languages – if you speak Russian, it will be easier for you to learn other Slavic languages such as Czech, Slovak, Polish, Serbian and others.

Where to stay?

MIET offers international students on-campus accommodation. Students live in the dormitory (in 2-3-bedded rooms).

The university campus is situated in Zelenograd (Moscow). The name of the town can be literally translated into English as the "Green City". On either side of the town, the forest is near and visible and easily accessible for walks.

Zelenograd is the center of Russian microelectronics and a quiet Moscow district located 35 km northwest of Moscow (30 min. by train/bus) and 15 km from Sheremetyevo international airport (20 min.).
